Kai Group Holdings and AccuTitle Announce Investment

Cherry Hill, New Jersey- April 16th, 2019

Kai Group Holdings Inc., a privately held company, recently made a significant investment in the title information management company AccuTitle, LLC. The AccuTitle leadership team and personnel will continue with the company and be joined by key members of Kai Group Holdings to position the company for accelerated business growth.

“Gavin Duffy and his team have done an incredible job of building a state-of-the-art technology platform with great functionality and first-rate customer service over the last 16 years. We are pleased to join with them to help fast-track the pace of innovation and growth in multiple states. We are eager to work with this extraordinary team in bringing next-generation title products and services to market” said Bill Bartzak, CEO of Kai Group Holdings.

AccuTitle’s flagship product, TitleDesktop, provides a cloud-based, software-as-a-service workflow platform for the management of residential and commercial real estate transactions. TitleDesktop’s secure and feature-rich portal improves production and closing productivity through increased automation, compliance enforcement, remote accessibility, third-party integration and unique, industry-leading functionality.

“This is an exciting milestone for AccuTitle’s evolution and will open a wide range of opportunities to invest in the product, sales, marketing, and multi-state expansion,” says Gavin Duffy, the founder of AccuTitle. Duffy will remain as the lead developer and take on the role of Chief Technology Officer for AccuTitle. Jay Richardson, Chief Operating Officer for AccuTitle added: “We are thrilled to have Kai Group Holdings partner with us to help take our company to the next level by driving growth expansion, delivering additional high-value features and offering the very best customer experience in the industry.”

Today the majority of title agencies in New Jersey use AccuTitle. Through the partnership with Kai Group Holdings, and the expertise of an expanded leadership team, AccuTitle plans to increase product functionality and expand into additional states through feature development and acquisition.
